Online & Mobile Postings

Huntsman Springs Brings Panorama International aboard to Provide Resort and Real Estate Development Services  11/22/2013

Online Postings

This section lists websites that have had confirmed postings of your press release, and their traffic as measured by unique visitors per month. A link on a website name goes to your press release on that site. These sites keep news releases posted for different periods of time, so some links may no longer go to your release after the posting time has elapsed. Each site name links to that site in a new window .

Multimedia

Huntsman Springs Brings Panorama International aboard to Provide Resort and Real Estate Development Services  11/22/2013

Multimedia Gallery

Your multimedia has been viewed **190 times**

This shows how people interacted with your multimedia in the Business Wire Multimedia Gallery. Downloads and plays are included along with Views as one metric to account for variations in user and computer behavior. It does not include interaction with versions of the multimedia hosted by other sites such as YouTube.

Sharing Links

This shows the number of times visitors selected the sharing links (including the print and email links) that accompany your press release on BusinessWire.com or the EON site. Keep in mind that many visitors will use other methods to share your news, such as copying and pasting the release URL, and that a release can be printed from the browser without using the print links.
