

Hyatt Regency Curacao Resort & Spa Fact Sheet

Property: Hyatt Regency Curaçao Resort & Spa is located at Santa Barbara Plantation, a 1,500-acre luxury master planned resort community taking shape along a natural harbor known as Spanish Water, 25 minutes from Curacao's capital city of Willemstad.

Built on 27 acres, Hyatt Regency Curaçao Resort & Spa will be the only resort on the island with 18 holes of championship golf as well as extensive meeting facilities and deluxe amenities. With water vistas on three sides, the hotel will feature spectacular Caribbean sunset views and beautiful white sand beaches. In addition to 330 deluxe guestrooms, the hotel's 20 beach bungalows will enable guests to enjoy large, secluded accommodations with uninterrupted views of the sea on one side and the inland bay, Spanish Water, on the other.

Best Pampering Spot...

Hyatt Pure Spa- For guests who want to relax during their travels and indulge in the Hyatt Pure™ experience, the 6,200-square foot, full-service spa will offer four treatment rooms, all with accessibility for both indoor and outdoor treatments.

The Fitness Center adjacent to the Spa will be Hyatt's own [StayFit@Hyatt](#) offering the most updated Life Fitness equipment and training.

Fun for the Whole Family...

Seru Boca Marina- In a protected cove in Spanish Water Bay, just outside Seru Boca Estate's northern boundary, is Seru Boca Marina. Seru Boca Marina offers ten slips for dive boats, water boats, charter fishing boats and evening catamaran dinner cruises.

For the Adventurer...

18-hole Championship Golf Course- The combination of the rugged terrain of the Tafelberg Mountain, the Caribbean Sea and Spanish Water create a world-class setting for an 18-hole championship golf course. The site's variety of topographical features produces golf holes that are aesthetically striking and a spectacular place for amateur and professional golfers. Designed by the renowned Pete Dye, the course will measure approximately 7,200 yards and will include a 8,000 square foot pro shop and the Golf Grill. The course will also offer a driving range and lessons will be available for guests.

Amenities:

- **Pool:** A multi-level outdoor pool offers with dramatic water features.
- **Restaurants:** Three restaurants: One offering three meals daily featuring menu items that are made from indigenous ingredients. The Pool Grille, offering light fares and ice cream treats near the pool, and The Golf Grill, incorporates a spice market theme with an exhibition kitchen near the golf course.
- **Meetings and Special Events:** For meetings and special events in a picturesque setting, the hotel will offer 28,000 square feet of flexible indoor and outdoor space along with catering that utilizes local ingredients and technology to support sophisticated presentations.
- **Attractions:** In addition to offering sun, sand and sea like Aruba and excellent diving like Bonaire, Curacao also provides various cultural, historical and ecological points of interest that appeal to upscale visitors. Island assets include the picturesque capital of Willemstad, a United Nations Heritage Site; a number of forts and plantation houses, some dating back to the 17th century; and ecological treasures, including the National Underwater Park, which is located directly offshore from the resort.
